

FORMERLY ASIS ANNUAL SEMINAR & EXHIBITS

8-12 SEPTEMBER 2019

McCORMICK PLACE | CHICAGO, IL

GSX.ORG | #GSX19

What Makes Global Security Exchange (GSX) **THE MOST VALUABLE EXPERIENCE** You Will Have in 2019?

Connections Across **THE WORLD**

- Be part of this comprehensive event for physical, cyber, and operational security professionals from across the supply chain.
- Meet with 550+ exhibitors who demonstrate advanced and customizable products, equipment, and disruptive technology that help security professionals prevent the increasing number of threats to their assets.
- Attend valuable networking events with thousands of attendees from more than 110 countries.

An Unparalleled **EXPERIENCE**

- The GSX exhibit hall is an immersive learning lab with programs that allow you to better understand emerging technologies and implement best practices.
- The unique X-learning stages deliver actionable insights for security professionals to proactively shape the future of the industry.
- The GSX D3 Xperience: Drones, Droids, Defense—supported by Association for Unmanned Vehicle Systems International (AUVSI)—is a special feature area where you can explore unmanned and interactive robotics.
- High-profile keynote speakers discuss global topics and challenges facing the security profession.

Career Building **OPPORTUNITIES**

- Keep abreast of the latest trends, data, and industry best practices through 300+ education sessions.
- Renew your certifications and earn continuing education credits all in one place at one time while accelerating your competency and challenging the status quo.
- Come to the Career HQ where you'll find free resume reviews, the Headshot Studio, career coaching, professional development sessions, and networking opportunities with employers and peers.

GSX.org/International

GSX is the **one event** that brings **enterprise security** and **innovation** to the forefront, and helps demystify emerging and **frontier technologies**.

International Lounge **AT GSX**

Stop by the International Lounge, located in the exhibit hall, where you will find:

- Private conference rooms for meetings.
- A relaxing space to recharge and connect with colleagues from around the world.
- Complimentary Wi-Fi access.
- Refreshments and a happy hour bar from 16:30-17:30 on Tuesday, 10 September.

Exhibit at **GLOBAL SECURITY EXCHANGE**

Are you a supplier for the security industry?

Visit GSX.org/exhibit to view the floor plan, download an exhibitor prospectus, and get contact information of our sales team to discuss options for exhibiting at GSX—where thousands of security professionals will be seeking to partner with your company.

Join a **DELEGATION!**

Interested in joining a delegation from your country and receiving a savings on your registration fees? Contact your delegation leader listed on GSX.org/international. If there is not one listed, follow the instructions given online.

International delegations **RECEIVE THE FOLLOWING BENEFITS*:**

- Discount off individual GSX registration fees. This discount does not apply to Pre-Conference Programs and Certification Review Courses. You must be part of a delegation to receive the code for the discount. Contact your country's delegation leader for assistance (see GSX.org/international for additional information).
- Unlimited use of the international lounge.
- Exclusive international registration kiosk onsite.
- Special gift from ASIS to delegation members.

Delegation leaders of groups with fifteen or more per country receive a complimentary hotel room of ASIS' choosing in an official conference hotel for four nights (room and tax only; individual is responsible for all incidental charges).

*Benefits are subject to change.
