

# CERTIFICATION ACCELERATOR SCHOLARSHIPS

A gift to chapters from your ASIS Foundation

Sponsored by **Converjint**  
TECHNOLOGIES  
Making a Daily Difference

## HOW TO PARTICIPATE

In 2020, the ASIS Foundation will award one free CPP or PSP certification exam to every ASIS chapter worldwide. More than 130 chapters from 43 countries participated in 2019. Make sure your chapter names a winner and claims your free scholarship this year.

### 1. Decide how to select your recipient.

- **Application process:** Ask members to apply with the chapter for the scholarship and then evaluate the applications to select a recipient. Sample guidelines and application are available at [asisfoundation.org](http://asisfoundation.org).
- **Random selection:** Identify all chapter members eligible for CPP or PSP certification and then select a recipient from that group.

### 2. Publicize the scholarship competition to your members.

Post information on your chapter website and in your ASIS Connects community, announce at meetings, and promote details and deadlines in your email notifications.

### 3. Select your recipient and notify the Foundation.

Enter your scholarship recipient's contact information in the Certification Accelerator portal on the ASIS Foundation website by 1 November 2020. Then notify your applicants of the results. You may also create and award a certificate to your recipient. Templates are available at [asisfoundation.org](http://asisfoundation.org).

Once you submit your recipient's name, the Foundation will do the rest. We will contact the scholarship recipient with instructions on how to claim the scholarship and apply for certification. Recipients will receive a unique voucher code that will allow them to apply and take either the CPP or PSP exam at no charge.

**Please note: the scholarship does not guarantee that the recipient will be approved to take the exam or will achieve their certification.**

\*Scholarship recipients must be selected in accordance with the ASIS Foundation scholarship policy using a fair, objective, and non-discriminatory process. Recipients will be selected without regard to race, age, gender, religion, political beliefs, employment status, or any other factors that constitute unfair or illegal discrimination.

**Chapter leaders must  
submit their recipient's information  
to the Foundation by 1 November 2020**

# 2019 PARTICIPATING CHAPTERS

Abu Dhabi	Dominican Republic	Jubail, Saudi Arabia		
Abuja, Nigeria	Dubai	Kansas City		
Alaska Chapter	Dutch-Caribbean	Kuala Lumpur, Malaysia		
Albany	Ecuador	Lagos, Nigeria		
Ark-La-Tex	Flint, Michigan	Las Vegas
