

The premier membership community for leading CSOs, the CSO Center aligns senior security executives to network with peers from around the globe, engage with visionary leaders across the profession, and develop meaningful strategies and best practices that help shape the future of security.

The ASIS Foundation makes a difference in the security industry and communities we serve through research, grants, and scholarships for security professionals. The Foundation is supported by generous donations from ASIS members, chapters, and private corporations.

WELCOME TO ASIS

Your global community for professional development, best practices, and peer-to-peer collaboration.

How does your
story begin?

JUMP IN & GET STARTED

Your ASIS membership delivers a wide range of exclusive benefits. Create your own rewarding ASIS experience with these five quick steps.

1 TELL US ABOUT YOURSELF

Log in and build your personalized member account. Add your photo and bio, review your professional profile, and select your communication preferences.

2 CONNECT WITH THE COMMUNITY

Introduce yourself on ASIS Connects, our exclusive, online community for global security professionals. Share experiences, ask questions, and collaborate with colleagues from around the world.

3 CONTACT YOUR LOCAL CHAPTER

Reach out to your chapter's leadership to leverage your local network, events, and professional development opportunities.

4 LEARN, LEARN, LEARN!

Browse the vast array of global events, join a webinar, explore certification options, or find an education course that matches your needs.

5 MAXIMIZE YOUR MEMBERSHIP

Explore leadership and professional development opportunities with volunteer roles available across ASIS chapters, councils, and committees.

Begin your ASIS journey today,
