Global Security Exchange 2025 Participant Assumption of Risk and Release of Liability

The goal of ASIS International is to hold a safe event, but it is not possible to remove all risk. ASIS must advise you of the risks and require that you read and agree to this document in order to attend Global Security Exchange 2025 (the “Conference”). In consideration of being permitted to attend Global Security Exchange 2025, and by executing this Release, I agree:

ASSUMPTION OF RISK. I acknowledge that attendance at and participation in ASIS International’s Global Security Exchange (GSX) 2025 involves an inherent risk of exposure to and illness from infectious diseases including, but not limited to, COVID-19 and its variants. By choosing to participate in the Conference in-person, I acknowledge and freely assume all risks related to exposure to illness from infectious disease including, but not limited to, COVID-19. The risk of becoming exposed to or infected with an infectious disease by attending the Conference may result from the actions, omissions, or negligence of ASIS International and its employees, agents, volunteers, representatives, providers, visitors, licensees, and invitees, and any other person that has come in contact with or is participating in the Conference. I further acknowledge that there may be risks and dangers not known to me or ASIS International or not reasonably foreseeable at this time.

RESPONSIBILITY TO ABIDE BY PROTOCOLS, TAKE PREVENTATIVE MEASURES, AND SELF-MONITOR. As a participant in the Conference, I agree to abide by all health and safety protocols and requirements mandated by ASIS International; the Conference venue; the City of New Orleans; Orleans Parish, LA; the State of Louisiana, and the CDC in effect during the Conference, as well as take common preventative actions, including washing hands regularly, as recommended by the CDC at www.cdc.gov to reduce the risk to myself and others of exposure to any infectious disease. I further agree to self-monitor for signs and symptoms of any serious infectious disease, including but not limited to COVID-19, and if I experience any such symptoms, agree to discontinue my participation in the Conference immediately and seek appropriate medical attention.

LIABILITY WAIVER AND RELEASE OF CLAIMS: I acknowledge that certain activities and participation in excursions or exhibitions may be offered at the ASIS International Conference that are inherently dangerous and may lead to personal injury, property damage, or death. I acknowledge that my participation in such activities is entirely voluntary. I further acknowledge that there are risks and uncertainties inherent in participating, including but not limited to injury, illness, death and/or and damage to person or property due to the negligent acts or omissions of ASIS International and/or others. These risks may be caused by a lack of mitigation measures, my negligence or the negligence or inaction of others, or other reasons beyond the control of any single party or actor, including the “Released Parties” (defined below).

I further acknowledge, understand, and agree that all the risks and dangers described throughout this Agreement, including those caused by my own negligence and/or others, are included within the waiver and release. I acknowledge, understand and assume the risks, if any, arising from the activities, conditions and use of any locations for the Conference and related premises, as well as the lack of mitigation measures for infectious disease, and acknowledge and understand that included within the scope of this waiver and release is any cause of action (including any cause of action based on negligence) arising from the performance, or failure to perform, maintenance, inspection, supervision or control of said areas, for the

failure to implement mitigation measures, and for the failure to warn of dangerous conditions existing at said areas. It is the purpose of this Agreement to exempt, waive and relieve Released Parties from liability for personal injury, property damage, and wrongful death, including if caused by negligence, if any, of Released Parties.

I further understand that ASIS International does not assume any responsibility for or obligation to provide me with financial or other assistance, including but not limited to medical, health, or disability benefits or insurance. I expressly waive any such claim for compensation or liability on the part of ASIS International in the event of injury, illness, or medical expenses incurred by me.

I hereby release, waive and forever discharge any and all liability, claims and demands of whatever kind or nature against ASIS International, the Conference Venue, and their affiliates, successors, assigns, directors, officers, employees, volunteers and agents (together the "Released Parties"), either in law or in equity, to the fullest extent permissible by law, including, but not limited to, damages or losses caused by the negligence, fault or conduct on the part of the Released Parties, including but not limited to personal injury (including death), property damage, illness (including from exposure to COVID-19 or other infectious disease), economic loss, or other loss suffered as a result of my participation in the Conference (collectively, "Released Claims"). I further agree that if, despite this release and waiver of liability, and assumption of risk, I, or anyone on my behalf, makes a claim against any of the Released Parties, I will indemnify save and hold harmless each of the Released Parties, from any litigation expenses, attorney fees, loss, liability, damage, or cost which any may incur as a result of such claim.

If any portion of this Release shall be declared unenforceable, for any reason, the unenforceable portion shall be considered severed from the Release and the remainder of the Release shall be valid and enforceable to the fullest extent permitted by law.

I agree that this Release is intended to be as broad and inclusive as permitted by the laws of the State of Louisiana. In the event that I file a lawsuit against ASIS International, I agree to do so solely in the State of Louisiana, and I further agree that the substantive laws of Louisiana shall apply in that action without regard to the conflict of law rules. Each party hereby irrevocably consents to the exclusive jurisdiction and venue of any state or federal court located within Louisiana. Notwithstanding any other term of this Agreement, in no event shall any liability of the Released Parties exceed the amount actually paid for GSX 2025 or One Hundred Dollars (\$100), whichever is greater.

If I have signed a separate general waiver/release of liability connected to GSX 2025, the terms of that waiver/release are wholly incorporated into this Release and the terms of this Release are incorporated into the separate general waiver/release.

This Release may be executed electronically, and I consent to entering into this Release in electronic form. I acknowledge and agree that checking the Health & Safety box in the online registration form will have the same force and effect as an original signature for all purposes.

I acknowledge that I am at least eighteen years of age, that I have read this entire Release, and that I understand its terms and agree to be bound by them.
